

COMPANY PROFILE: CHARLIE'S PRODUCE

Charlie's Produce started in 1978 and has evolved into an independent, full-service produce company to our retail and foodservice customers all over the west coast.. We do this by cultivating strong, lasting partnerships and searching for new possibilities in the industry to help everyone achieve their full potential. We are proud to play a vital role in the farm-to-fork journey with relationships, sustainability and forward-thinking as our driving forces.
