

COMPANY PROFILE: PARAGON FOODS

Real. Fresh. Food. It's what we do, and we're proud to be obsessive about it. We strive every day to inspire our customers with hyper-fresh, authentically delicious foods delivered in the purest and safest form possible. Our most demanding partners—the chefs, restaurateurs, and retail buyers committed to quality above all else—are the lifeblood of our company. It is an honor to be the chosen purveyor of Pittsburgh's finest and busiest restaurants, the region's largest hospitals and several of the best colleges and universities in the country.
