

# COMPANY PROFILE: STERN PRODUCE COMPANY

Stern Produce has proudly served the Arizona community for four generations, since 1917. For 100 years, our mission has remained the same – “to deliver a first-class customer experience as we supply the freshest, fruits, vegetables specialty food products, and meats.” We are implementing fresh new ideas in order to serve our customers and community better. We believe the success of our business is embedded in the overall strength and resiliency of our society, the well-being of our employees, and the relationships that we weave within our local community. This includes our commitment to support Arizona agriculture and food production through meaningful partnerships.
